INTRODUCTION

Global Sources Mobile Electronics

Established for 49 years, Global Sources has built a trustworthy B2B platform that serves buyers and suppliers online and offline. The core business facilitates trade between Asia and the world through trade shows, online marketplaces, magazines, and apps. The company organizes export sourcing shows in Hong Kong SAR every April and October with eight events annually, including the world's largest electronics and mobile electronics shows as well as Lifestyle and Fashion shows. More than 1.5 million international buyers, including 94 of the world's top 100 retailers, use these services to obtain product and company information to help them source more profitably from overseas supply markets.

For the promotions of shows from India and travel arrangements and trade fair tour packages exclusively designed for visiting Global Sources Exhibitions at Hong Kong, **Riviera Tours and Travel** is partnered with **Global Sources Exhibitions**.

Visitor Profile

Executives of businesses that purchase for resale

- Senior management, sourcing and or product development executives for the world's leading retailers, manufacturers, venture capital, and brand owners are among the visitors at our exhibitions.
- Our shows are also heavily attended by a wide range of small and medium-sized import, wholesale and retail businesses – including a fast-growing segment of Amazon and other online sellers.

Executives with purchasing authority

- Since our shows are dedicated to strategic sourcing, the majority of attendees have purchasing authority -- and executive management job titles like Owner, Partner, President, Director and General Manager.
- Approximately 15% of buyers place orders at the show while an additional 30% place orders within a month of attending.

Executives seeking private-label and suppliers' brands

- Much of the business conducted is “private label” where the brand is owned by the overseas buyer but produced by the contract manufacturer in Asia.
- There is also a growing amount of sourcing where the buyer is purchasing the Asian suppliers design and/or brand.

SIGHTSEEING

Hong Kong Night Tour With Victoria Peak + Madame Tussauds

Victoria Peak is a hill on the western half of Hong Kong Island. It is also known as Mount Austin, and locally as The Peak. With an elevation of 552 m, and ranked 31 in terms of elevation in the Hong Kong Special Administrative Region.

The Peak is the highest mountain on Hong Kong Island and a natural signaling post for incoming cargo ships in the nineteenth century. Victoria Peak has 2 levels: Top level and Mid level

MADAME TUSSAUDS: Madame Tussauds Hong Kong, is part of the renowned chain of wax museums founded by Marie Tussaud of France, is located at the Peak Tower on Hong Kong Island in Hong Kong, opened to the public in 2000. This was the first Madame Tussauds in Asia. The headquarters of Madame Tussauds museum in London. Madame Tussauds Hong Kong is a museum exhibiting the wax likenesses of world famous people like Madonna, Amitabh Bachchan, Gandhi and Many More.

Sky Terrace 428

Sky Terrace 428, standing at 428 metres above sea level, is the highest viewing platform in Hong Kong offering a stunning 360-degree panoramic view across the Hong Kong. Whether you visit The Peak in the morning, afternoon or nighttime, Sky Terrace 428 is a scenic spot that you should not miss!

The Peak Tower was opened to the public in 1997 and went through another round of renovation with costs running up to \$100 million and it opened to the public in 2006. The new ultra-modern steel & glass tower is situated in such a way that it does not interrupt the natural line of the hills. The Sky Terrace 428 observation deck is constructed in a 'wok' like shape and was designed by British architect Sir Terry Farrell. It is a Hong Kong landmark that changed the way tourists viewed the city!
