INTRODUCTION

Tradefair for Plastic & Rubber

K Fair 2022, the international trade fair for plastics and rubber, will again gather all the leaders in the sector from 19 to 26 of October 2022 at Messe Dusseldorf. The organisers are expecting more than 230,000 visitors from over 160 countries and more than 3200 exhibitors from 60 countries.

K-fair 2022 is held every three years and is considered the most important industry trade fair. The stellar performance characteristics, industry moving conferences and forums, and unparalleled business opportunities. The focus of the upcoming edition of the trade fair are resource and energy efficiency from the ecological and economic points of view. Problem solutions, renewable raw materials, nano-scale particle infused plastics and rubbers, fiber technologies will be under the spotlight in 2022.

The fair attracts huge audience. That said, finding accommodation for the event dates can be challenging as most hotels are overbooked months in advance. To make sure you can secure a best value hotel for K Fair you can send us a hotel reservation request and our team will provide high value solutions and hotel deals, best matching you business requirements and budget.

Be amongst the leading companies during K 2022 and secure your top value accommodation with Fair Point GmbH.
